Chapter 1: The New Girl Arrives

****Normal P.O.V****

It was a early Monday morning , streaks of light filtered through the curtains. All was not quiet the distant sound of beeping could be heard even through the vail of sleep. The beautiful girl started rustling from sleep her eyes wandered to the calender then she realised..

****Lucy P.O.V****

Once I had woken up I realised its was the day THE day... my first day at the new highschool as soon as I realised this my body jolted in shock and I ended up rolling out of my bed with a bid thump. I lazily crawled over to my bathroom and stared into the mirror ashamed, my hair was sticking up EVERYWHERE and as always as a whole I was just flat out ugly (a/n Told you she didn't realise!) once I had brush my hair I clambered into the shower and took a brisk rinse into the shower . After my shower I dried myself off and brought out my blue/white crop top my ripped denim short shorts and white high tops.

After getting changed I checked the time and place to were I was supposed to meet my cousin levy-chan. Then, I jumped in my car and drove to the school.

****Normal P.O.V****

Outside the front gates was a Short blue haired girl wearing a white t-shirt with ripped jeans and trainers, within 2 minutes a cherry red ferrari pulled up and a blond head popped up out of the door with a wide grin on her face within 1 second the blond was tackled to the floor with a huge bear hug.

"LU-CHAN!" the bluenette Shouted "l-levy-chan y-y-y-your crushing me" gasped lucy "oh oh sorry lu-chan" with that levy jumped off lucy and helped her up with a wide grin on her face. " I can't believe its you! Your beautiful! And so grown up the last time I saw you we were 9!" levy shouted at that lucy blushed and said " i'm really NOT beautiful so stop there and anyway I was wondering if you could show me around and teach me the 'groups' ya'know like jocks,mean girls,nerds,popular-" Levy interupted her " OF COURSE I WILL HELP YOU but you really are bea... nevermind follow me we can sit inside the school and talk.

****INSIDE THE SCHOOL LUCY P.O.V****

Levy-Chan showed me to the bench inside the school and started talking "sssooooo first of all there is a group of boys called 'Fairy Boys' this group consists of Gray,Jellal,Lauxis and Loki the are the school heart throbs...next are Lissana,Juvia and Minerva the are the schools mean girls stay AWAY from the don't look,speak or even go

near them unless you want to be beaten to a pulp okay next is my friendship group there is me,Mira,Elfman,Jet,Droy,Erza and Natsu mira and elfman are lissana's bro and sis. Erza is a great friend and very protective so you can count on her jet and droy are my best friends the theres Natsu he is funny and kind and very very Childish like really childish so thats all you really need to know â€|. oh! And there princibal makorov but we all call him 'gramps' and he calls us his 'childeren' but there is one thing you really really NEED to remember do not go near sabertooth prep or near any sabers because you will regret it they always play pranks on us and we have a huge rivalry with them but sometimes they kidnap our students" she said the last past slowly " bbbbuuutttt thats only happened once since 3 years ago"

"lets go can you show me to my class?" I asked quickly

"sure lets go" she answered quite shocked "what's your first lesson?"

"ummmm room 201 with ?" I say quietly

"O.M.G THAT'S MY CLASS YES YES YES YES YAY"she said loudly "Jeez calm down woman" at that we walk to class.

****Outside The Classroom door NORMAL P.O.V****

"soo today class we have a new student please be nice and treat her well"at that the class exclaimed

"her is it a girl, she better not steal my bf!" shouted jessica

" I hope shes easy on the eyes" Shouted kane

so on and so forth

"Calm Down cl-"started but before she could finish the door swung open and in came levy and a timid blonde

"oh hello levy and this must be Lucy heartfillia" The teacher said looking at the blonde currently hiding her face finally she looked up and said "hello my name is lucy its nice to meet all of you" as she raised her head the male population of the class gasped at the beauty infront of them even the 'heart throbs' were interested but didn't gasp. Finally, natsu let off a playful smile and replied "hey Luce my name is Natsu Dragneel"

****LUCY'S P.O.V****

Okay so thats Natsu he's kinda no absolutley cute but he gave me a nickname already oh jeez..

****Chapter 2: Bullies****

" right soo now you can either have the seat next to the window next to levy or on the other side between her and Natsu?"

"ppsstt sit between me and natsu you will enjoy it" levy whispered so only lucy could hear it

"If you have chosen please take your seat."

after that lucy idely took the seat next to natsu and levy.

****Lucy P.O.V****

I slowly turned around to see a grinning Natsu sitting next to me so I gave him a great grin back and after that the rest of english class drawled on and on until the high pitched bell rang for break I wasn't able to escape the wrath of a energetic levy and natsu so I was chased into the cafeteria luckily I am a track record holder so they didn't catch me until I stopped. "*panting* huff huff Lucy how did you r-run so fast and your not even out of breath?!" Natsu shouted which gained attention from one table a table were a white, brown and blue haired girls were sitting. "jeez calm down Natsu buuttt... he is right HOW did you do that!?" "anyway we can show you to our table and introduce you to our friends ok?"

"actually guys im not really interested in seeing anyone yet so I'm going to look around... BYYE" I shouted before running off and in the distance I could hear Natsu yelling "Hey stop! Ugghh tooo late!"

****Normal P.O.V****

Just as lucy ran from the cafeteria the three girls from the table before all look at each other and walk out after her..

****Lucy's P.O.V****

After I stopped running I could hear foot steps coming from the hallway so I turned around to see three girls that I had never see before smiling at me then one finally spoke.

"hi my names Lissana" at that my heart skipped a beat inside my head alarm bells were going off and saying RUN! RUN AWAY YOU IDIOT MOVE YOUR FEET.

"and this is juvia"she pointed to the blue haired chick "and this is minerva" finally she pointed at a brown haired girl all three were holding something behind there back.

"we are here too â€¦.. ummm â€¦. Welcome you"Lissana said in a sneaky voice

finally I saw what Minerva was holding â€¦. Rope?! and within two seconds I was pushed into the classroom and my hands were being held behind my back all I could get out was a feeble "stop"

"WHAT did you just say"lissana spit out in a venomous tone

"we saw you talking to MY natsu"

"Are you dating or something!?"

"no â€¦. just keep away!"

"w-w-why"

at that minerva snorted "awww look she stutering how about we teach her a lesson girls!"

"yeah great idea hey lucy, you've got a kick butt attitude!" at that

lissana kick me in the stomach of course I keeled over in pain and at that they kept kicking and puching me and I started to feel blood trickling down my arm, that's when I started to loose contiousness and the world started to turn black.

****Meanwhile in the hallway 5 doors away from lucy****

Natsu: "i swear she went this wa- wait a minute can you hear that?"

Erza,Levy: "nope"

"Follow me! Quickly Girls"

(a/n nastu heard the distant sound of punching)

****Levy P.O.V****

As we rounded the corner and saw something that made my heart stop... droplets of blood, I turned to see a enraged erza and a white faced natsu. All of a sudden he ran into the room and all we could hear was a big gasp and an enraged natsu come out of the door.

"guys you go in there take her to the emergency room I have to get back and get our friends" with that he left

****Normal P.O.V****

Erza marched into the room and eyes full of rage walk back out carrying a girl covered in black, red and blue patches levy stood there frozen,tears threatening to escape her eyes finally she followed erza.

****In The Cafeteria****

The doors burst open violently and pink hair came through first then the boy with rage obviously coming out everything went quiet,natsu marched over to the table full of his friends.

"guys come with me to the emergency room now"

Elfman: "but my lun-" he got cut off

"that wasn't a question that was a order!"

"jeez fine fine let's go OK"Elfman enmphasized the ok

finally all of the group got to the room to see a crying levy soo jet and droy ran over to comfort her then they saw... a enraged erza.

"ummm guys im not sure about this you see erza I have a feeling I am going to be beaten up, she so manly" Elfman whimpered

****Normal P.O.V****

"nurse P-please where is she wheres Lucy?"she said through small tears

"aww sweetie the third bed on the right,but are you sure you want to see her in the condition shes in?"

"y-y-yes,Thank you"

****Outside the room****

it was totally quiet until mira spoke up

"Natsu Ezra you NEED to explain what goin on ok Now!"she said in a strong voice

"Fine" then he explains EVERYTHING with no detail left out and this left the Group speechless

"i-i-i really don't know what to say" mira said shaking

"this is soooooo not manly" ElfMan said hugging his sister-

"Poor Levy and Lucy" Jet and Droy said in unison

"guys sorry for shouting"natsu said sheepishly"its just i-i kinda like her" With this Mira let out a giant squeel letting her match making side kick in "omagosh omagosh yyyeeesss finally you like someone" "im going in boys stay outside you too erza"

They all sighed "oh no shes in matchmaking mode"

at that mira silently marched in

****Back inside****

"hello im her to see Lucy"she said as sweetly as a angel

"oh, you to she must be popular but are your sure?" "shes in a pretty bad condition" the nurse said with a slight hint of sadness in her voice

"im sure thank you"

"okay sweetie third bed on the right"

"thankyou again for your help"

At this mira walked over to see blue hair weeping over the blonde so she wrapped her arm around levy and hugged her gently.

"hey how are you coping?"

"f-f-fine i-its just.."

"yes?"

>"its was her first day a-a-and i-i-i think I know who did it..."<p>

"WHO!"mira Accidentilly shouted "o-o-o-opps sorry"

"its ok but you dont wanna know"

"oohh" she sighed heavily "w-w-w-was i-i-it L-lissana?"

"yes I think so im soo sorry!"

"It's okay I had a feeling shes been acting up lately and ecspeccially when it comes to Natsu"

"j-j-just d-d-d-don't t-tell Natsu cuz you know how they were-"

Levy was interrupted by the blonde turning onto her side facing mira but her eyes still closed.

"w-w-wow she beautiful" mira exclaimed

" I know that but she thinks shes... ugly and Fat"

"WHAT! But how-" this time mira was interrupted by lucy opening her eyes VERY slowly.

"L-l-l-lu-chan!" Levy accidentally shouted and even the group outside heard and at that the two girls heard the doors slamming and saw a mixture of scarlet, Pink, orange, dark blue and white hair rushing towards them.

(a/n from now at the moment im going to put there names before there speech because the whole groups here)

Natsu: "what happened is she oka-" he stopped when he saw lucy's big round milk chocolate eyes staring at him,

Lucy: "levy?Natsu? And who are they where am I" she said with a very puzzled look on her face

Erza: "lucy my names Erza this is Droy,Jet,Mira and ElfMan" she said pointing at each one as she said there names

Lucy: "h-hi its nice to meet you all" she said as she fell asleep

Erza: "right everyone into the waiting room let her rest NOW" she commanded

****8 hour time skip****

As lucy woke up all the images of earlier that day came rushing back she looked down at herself and noticed that most of the bruises had go except the large one on her stomach but all of the blood was gone.

Lucy: "wow my stomach kills but I better go see levy-Chan" at that she left the bed area to go and check in the waiting room but she didn't get far until she keeled over due to her stomach injury.

Lucy: "owow uggh it hurts but.. I can't show levy im in pain it will worry her. I shouldn't worry anyone so im not going to tell anyone" she said what she didn't realise someone heard her.

?: "hmm I guess I shouldn't tell her friends buut she will be a great target for our prank" AT the he left out of the window (a/n I will give you a hint he's from sabertooth prep :3)

Lucy got out of the car slowly, as gajeel jumped out and went over to talk to the guys, of course Lucy was covering her stomach.

Levy: "LU-CHAN how could you do that you had us worried sick!" "and why are you standing so awkwardly you never stand with your stomach covered...?"

Lucy: "what? Oh it's...nothing" she hesitated but lied

Erza: "if it's nothing then why did you hesitate?"

Mira: "girls lets go in except you erza watch the boys"

Erza: "sure mira"

Lucy: "let's go in then.."

Natsu: "But Luce first tell me who did it I know you know!"

Lucy: "natsu... I can't lie to you guys can I?"

Natsu: "no we saw right through you"

Lucy: "i won't lie I do remember but... it's my problem not yours"
she said "i'll be fine it just caught me off guard" She said hugging
Natsu reassuringly

Gajeel: "umm dude you can let go now the hug is over"

Gajeel: "WHAT NO!"

Lucy: " hahah" "Natsu you can umm... let go now"

Nasu: "no not until you tell me"

Lucy: "NATSU NO I CAN HANDLE IT LET GO!" lucy started shouting and
squirming in natsu's arms

Natsu: "no" he said coolly

(a/n has no-one seriously noticed the swelling bruise! Lol better

Jet: "wait lucy what's that on your stomach?"

Erza: "oh my natsu let go I need to see it"

Natsu: "huh what-" then he noticed it "LUCE!" he let go

Gajeel: "don't let her run last time she collapsed" she whispered to
erza

Lucy: "guys before the questions can I quickly get changed wait
here"

All: "fine"

Once lucy got in she grabbed a jacket and ran for the back door

As she got to it she heard levy's voice coming through the front
door.

"wait a minute guys she has a back door and a garden gate!"

after lucy made it out of the back door natsu swung the door open to
see the door closing.

Natsu: "really Luce" "guys shes gone"

Erza: "guys let me handle this" "go home"

All: "YES MAM"

Natsu: "Erza im coming with you"

Erza: "fine only you"

Lucy just kept running and running about 20 meters away was erza and Natsu running after her but also around the corner was the man from the emergency room, but before she got there she collapsed again huge pain striking from her stomach and she couldn't help but let out a scream.

Natsu: "LUCE!"

Lucy: "n-n-natsu please stop stay there" She stood up leaning against a tree "you can't help anyway you would make it worse"

at that natsu's heart broke

Natsu: "i can help please"

Lucy: "you just don't understand you are one of my best friends already and we just met, it's just in this situation you can't help okay just please don't ask anymore questions"

Natsu and Erza were frozen in place putting what lucy just said in their heads and just kept repeating it

Lucy: "i need to take a walk please just don't follow me natsu"

Erza: Wait a minute begins with a l, natsu can't help, natsu would make it worse these things kept running through her head.

Luce started walking to the park the man followed her .
